Little Girls, Little Boys-Not the Same!

Little girls are underfoot
 Almost all the time;
 Little boys are somewhere else
 Committing some small "crime".
 You send a posse for the boys
 To make sure they are okay,
 While begging that the little girls
 Just "go somewhere and play."
 Girls flit like little butterflies
 And socialize with you;
 With little boys, you never know
 Just what they are up to.
 But either one that you may have,
 You'll certainly know joy—
 God sends it to you with each
 child,

Whether girl or boy.

 name and phone number and a
 greeting if you wish.
